

BUSINESS NOTES.

No wonder the business of the Brand Brewing Company, at 1251 Elston avenue, increased over 100 per cent during 1934. Their famous "Extra" brew has a world-wide reputation.

There is no better beer brewed in the world than the far-famed "Extra" Beer brewed by the Brand Brewing Company, at 1251 Elston avenue.

One of the best-liked and most popular business men in Chicago is Tom N. Donnelly, the jeweler, at 118 Dearborn street. Mr. Donnelly enjoys the confidence and patronage of the very best

people in Chicago, and if you want the best goods, in watches, diamonds and jewelry, at reasonable prices, the man to patronize is honest Tom Donnelly, at 118 Dearborn street.

The beer bottled by the Independent Brewing Association, the Ernst Brothers' famous plant, is the best in the country. Order it for your residence. Phone, North 645.

The Owl Drug Store, corner Clark and Monroe streets, is one of the best there is.

Henry Roth, whose appointment as justice of the peace on the North Side has given such great and general satisfaction, is one of the best qualified

men ever appointed to that office. Mr. Roth is a lawyer of high standing and has the esteem and confidence of the public and of his colleagues both of the bench and the bar.

For wines and liquors, Keating & Mahony, the well-known importers and wholesale dealers in this line of goods, are among the foremost in the country for value as well as the excellence of their goods.

The Monarch buffet and restaurant, conducted under the able management of Messrs. Cerveny and Biewersdorf, at 167 East Randolph street, is one of the finest establishments of its kind in Chicago.

George A. Blotner has given convincing proof of his great business capacity by his successful management of the business interests in Chicago of the great Berghoff Brewery.

Albert Graft & Company, the popular paving contractors, have experienced a most prosperous year.

Vernon C. Seaver's lunch rooms at 80 State street are among the best in the city.

War to-day is more costly than it ever was and in addition there are no compensations such as there used to be. In the old days the victors made wars pay for themselves. Their armies lived off the country through which they passed. Soldiers were billeted on the people, and whatever armies wanted they took. All this has been changed. Such campaigns as those conducted by Napoleon would be impossible at the present time.
